Collaborative Art Standard VA:Pr5.1.6a Collaboratively develop a visual plan for displaying works of art, analyzing exhibit space, the needs of the viewer, and the layout of the exhibit.	Video displays fraction art in a way that exceeds the needs of the viewers. The layout of the video is well thought out.	Video displays fraction art in a way that meets the needs of the viewers. The layout of the video is thought out.	Video displays fraction art in a way that almost meets the needs of the viewers. The layout of the video is somewhat thought out.	Video displays fraction art in a way that does not meet the needs of the viewers. The layout of the video is not thought out.	
Academic Content Standard Individual grade based on voice over 6.NS.A.1 Interpret and compute quotients of fractions, and solve word problems involving division of fractions by fractions, e.g., by using visual fraction models	The student demonstrates clear understanding of division of fractions through visual models. Student can explain how to find the quotient in multiple ways and in context of the problem.	The student demonstrates understanding of division of fractions through visual models. Student can explain how to find the quotient in the context of the problem.	The student demonstrates limited understanding of division of fractions through visual models. Student provides an incomplete or unclear explanation of how to find the quotient in the context of the problem.	The student demonstrates little to no understanding of division of fractions through visual models. Student has frequent and varied errors in the explanation of how to find the quotient in the context of the problem.	
Art Form Standard Visual Arts VA:Cr1.1.6a Combine concepts collaboratively to generate innovative ideas for creating art.	The student's piece demonstrates a clear understanding of generating innovative ideas while working collaboratively. Ideas are clear.	The student's piece demonstrates understanding of generating innovative ideas while working collaboratively. There may be small execution errors, but ideas are clear.	The student's piece demonstrates limited understanding of generating innovative ideas while working collaboratively. There are multiple execution errors that impedes meaning of ideas.	The student's piece demonstrates little to no understanding of generating innovative ideas while working collaboratively. There are frequent and varied execution errors that often impedes meaning of ideas.	
Development of Ideas	The student's piece addresses the theme and provides effective and comprehensive development of the topic and/or artistic elements by using clear purpose, details, and/or embellishment; the development is consistently appropriate to the task, purpose, and audience.	The student's piece addresses the theme and provides effective development of the topic and/or artistic elements by using clear purpose, details, and/or embellishment; the development is largely appropriate to the task, purpose, and audience.	The student's piece addresses the theme and develops the topic and/or artistic elements minimally by using limited purpose, details, and/or embellishment; the development is limited in its appropriateness to the task, purpose, and audience.	The student's piece is underdeveloped and therefore inappropriate to the task, purpose and audience.	
Organization	The student's piece demonstrates effective design, clarity, and cohesion and includes a strong pathway for the audience to read and interpret the work.	The student's piece demonstrates design, clarity, and cohesion and includes a pathway for the audience to read and interpret the work	The student's piece demonstrates limited design, clarity, and cohesion and may or may not include a pathway for the audience to read and interpret the work.	The student's piece demonstrates a lack of design, clarity and cohesion.	
Clarity of Presentation	The student's piece has been presented well to translate their message to the audience. The piece includes specific and appropriate techniques, details, and content-specific tool choice effectively to clarify ideas.	The student's piece attends to presentation norms. The piece includes specific and appropriate techniques, details, and content-specific tool choice effectively to clarify ideas.	The student's piece shows limited awareness of presentation norms. The piece includes limited techniques, details, and content-specific tool choice needed to clarify ideas.	The student's piece shows little to no awareness of presentation norms. The piece lacks the techniques, details, and content-specific tool choice needed to clarify ideas.
