

Coding groups

Assign students into groups.

1. Group 1:
2. Group 2:
3. Group 3:
4. Group 4:

Welcome to Coding week!

Apply school values to student work: (example given here)

- Be determined.
- Be diverse.

Show teamwork! = share the trackpad and the keyboard, everyone tries!

Be respectful.

Be on task.

Welcome to Coding week!

Be leaders:

Group leader: “_____, what can you show us about this section?”

All students: “I want to add on” or ask “can I show them this part?”

Tasks to complete video:
